Sweet Corn Crop To Gross Million Dollars In Glades

Combined Crop Return Figures Show Season Has Been Very Productive

One million dollars from a particular crop grown in the Glades seems like a big sum, but that figure is the estimate that the sweet corn crop in the lake area will bring this season. It is estimated that John Rohin and Sam Knight, of the Duda farms, planted their initial and experimental crop on lands east of Belle Glade. Each summer, Knight has planted corn in the same areas, until this season he hit the real jackpot, as did several other corn growers. Ideal weather, no blight, made possible a good crop of premium type of corn. Duda's have shipped 4,000 bushels of corn that would represent 135 freight car load. Farm activities on the Duda farms came to a conclusion this week and their last load, farm near St. Cloud begins its corn harvest.

Local farmers were fortunate that they had the corn in good quality to meet the unprecedented demand from the northern produce markets. This corn crop shows the value of having diversified farming, rather than just one crop, such as beans.

Garbage Patrons Are Paying Bills More Prompt

City Inspector "Buddy" Willis is rather proud of the record which has been made in securing prompt collection payments to patrons.

When he went on the inspector's job there were around 1100 accounts quarterly, and at the present time there are in excess of 1600. There is no more laxness about paying the garbage collection fees, as around 95 percent were paid prompt.

Willis went to the assessing of 50 cent penalty for not paying on time.

A number of patrons failed to respond to notices to come in and pay their bills, but they appear before the Police Magistrate. Several were assessed \$8 and costs.

Inspector Willis states that the months of March and April were very lean so far as issuance of building permits were concerned.

Murphy's Pharmacy Relisted on Money And Stock Goods

The Murphy Pharmacy was burglarized on Wednesday night, but yet again they appear before the Police Magistrate. Several were assessed \$8 and costs.

Inspector Willis states that the months of March and April were very lean so far as issuance of building permits were concerned.

Eagles Defeat Of Golden Rams End Conference Hopes

The Ft. Pierce Eagles came down to Belle Glade Field on Friday afternoon, to perform on our baseball diamond against our own Golden Rams. The Eagles, seeking revenge had handed them in the earlier part of the season, and they got it. For the Rams finished on the short end of the 4 to 1 score.

Coach Johnson, his ace fast ball pitcher Carrera, the Rams, and for four innings not a Ram reached first base. The bats of the Rams had no answer against Carrera's offerings with the Rams needed to make take. He faced ten of our boys. He faced his tricky but clever twirler.

Tommy Williams was quite strong with his bats, but a three run homer by Kendall gave the Eagles the lead and the game. in the fifth the Rams C. Continued on page 4

Judge J. Johnson Has Probationary List In His Court

Judge Jack O. Johnson, in police court, Monday night, put two men on probation, as had doubts that the men were guilty of the charged filed, and decided to try them out on further investigation. One man had been charged with the theft of a pocketbook, and as parts of his story held water, he was given the benefit of the doubt. Claude Martin, here for 27 years, denied he had been drunk and he was also placed on a probation base.

Howard G. Gandy, told the court when ever he sat down to sleep, He chose the curb in front of the Smith poultry store on Sixth avenue, to do his sleeping. Police claimed he was striking drunk and unable to navigate. His drawl was accented by a southern drawl.

Preliminary meetings were held to arrange the drive machinery which were formulated as follows: Executive Committee, H. C. Brinkley, honorary chairman; E. S. Brinkley, general chairman; George L. Hause, associate chairman; Jack O. Johnson, treasurer; Sidney K. Smith, Jr., official broad member; Lorraine F. Vanderwater, minister.

Building Committee, Chairman Vernie A. Boots, Mrs. Ruth Wedgeworth; James A. Ball, Jr. and the pastor.

Elks Mother's Day Is Combined With Hospital Program

Owing to the fact that the Belle Glade Hospital will be formally dedicated on Sunday with a reception and ceremonials, on next Sunday afternoon, Belle Glade Elks lodge, will omit its annual Mother's Day observance, and join in the combined celebration. The boys will be directly interested in the new Golden Rams. The Elks, seeking revenge had handed them in the earlier part of the season, and they got it. For the Rams finished on the short end of the 4 to 1 score.

Coach Johnson, his ace fast ball pitcher Carrera, the Rams, and for four innings not a Ram reached first base. The bats of the Rams had no answer against Carrera's offerings with the Rams needed to make take. He faced ten of our boys. He faced his tricky but clever twirler.

OBSERVATIONS
From page 1
le Glade, the quiet town in that word, in this soil in soup form, like it, live cheap and are happy. One such claim to be more than 100 years old, and expects to live much longer, caused by the becoming the last of the old California Redwood trees, that never die, by drinking tea made from their leaves."

On Sunday in our churches and our homes we will be honoring "mother", with our gifts, if alive, and if not, then with our memories to the greatest wonder that ever lived. I shall be wearing a white flower in memory of my mother, long gone to her eternal home.

BIRTHDAYS
To the reader of the Sunday paper, the first day of May brought home to me that I had passed another natal day, which numbered 76 and that was working for the benefit of the world. Fifty-eight of these years have found me working at a newspaper writer's desk pounding out copy for my publications. Car loads of copy have been mailed, with the products of my brain being what they may. That life has been full of activities, and one that the writer has thoroughly enjoyed. The records of the Masons of the Florida Free Press Association tell I am accredited with being the oldest active newspaper man in the state as to service. Well the day is coming when the too mysterious "30" will be written on the bottom of my copy and my life.

The Masons and Eastern Stars are to enjoy a banquet at the Legion Hall on Sunday, May 27th, when there will be eating turkey and dressing. This is the first function of its kind for these groups since mid-war days. A prominent speaker is to be procured for the program hour.

GOVERNMENT
GOVERNMENT officials from the U. S. Department will soon hold their annual conference at Cleveland, which is related to wages to be paid to sugar field laborers, and to the contract growers for their cane raised for the corporation, 1949-50.

That proposed memorial room at the Belle Glade Memorial Hospital to the memory of the late Dr. William J. Buck, is a fitting one. Medicine and surgery was his profession and both of these he gave freely to the improvement of its rental property.

the population of the Glades area, along—with much undercover work, has had a great love for the hospital in which this memorial will be found, and it will help keep green the memory and service of one who did and meant, so much to the community in its pioneer and disaster periods.

Many of our local hunters, who for years have hunted in the territory of the Big Cypress swamp, have known about Tarpon Lake, which is hid deep in the almost inaccessible portion of the forest. This lake is small—but mighty, feed by a perpendicular wall of solid rock. By fishing deep edible fish are to be caught from its waters. Deep Lake is another water hole of like character which is more accessible to sportmen and more frequently fished. Both of these lakes are known for the number of alligators which make their home in them. There are many wild birds, Reptiles, Alligators, and snakes, and wild animals in the Silver Springs, recently made a scientific safari into portions of the Glades which men have not been to before. The caravans with them snakes, birds and animals have been full of activities, and one that the writer has thoroughly enjoyed. The records of the Masons of the Florida Free Press Association tell I am accredited with being the oldest active newspaper man in the state as to service. GOVERNMENT
GOVERNMENT commission is planning on adopting an ordinance which will prohibit the use of a white cane, which is an emblem which shows that the user is blind.

The west end of the city is to have a new paved street which leads from the canal and southward through the Lake and Mosely lands. The land owners presented the city with quit claim deeds for land to make a 50 foot street. This street will be a short cut for packing house men to get to the new school building. Other easements are being sought for the opening of another like street in that vicinity.

RADERS, INC., through its agent Mr. Friday, told the city commission, that his company was continually working on the improvement of its rental property. This company has been freely enjoyed by the people. This is the more wonderful because our vegetables were raised without rains, and only by drainage canal absorption thru the mole drains.

Here is the story of a poor taxpayer, who lets out a wad of woe about a notice he received from the Internal Revenue office.

Replying to your request to send a check, I wish to inform you that the present condition of my Bank Account makes it almost impossible. My shattered financial condition is due to Federal laws, State laws, County laws, City laws, Corporation laws, Liquor laws, Mothers-in-laws, Sisters-in-laws and out-laws.

Through these laws I am compelled to pay a Business Tax, Sales Tax, Carpet Tax, Thimb Tax, Income Tax, Food Tax, Furnishing Tax, Estate Tax, and even my brains are taxed.

I am required to get a Business license, Car license, Truck license, not to mention a Marriage and Divorce license.

I am also compelled to contribute to every society and organization which the genius of man is capable of bringing to bear to help women's Relief, Unemployment Compensation, the Gold Diggers Relief. Also the Army Hospital and charitable Institution in the city, including the Red Cross, Black Cross, Purple Cross, and Double cross.

For instance, I am required to carry Life Insurance, Accident Insurance, Property Insurance, Liability Insurance, Burglar Insurance, Unemployment Insurance, Old Age Insurance, and Fire Insurance.

My business is so governed that it is not easy matter for me to find out just who owns it. I am selected, expected, suspected, disbelieved, rejected, detected, examined, interrogated, informed required, summoned, commanded and compelled until I provide an instant supply of money for every known and desire or hope of the human race.

Simply because I refuse to donate to something or other, I am boycotted, talked about, laid off, held up and held down and rebuked until I am almost ruined.

I can tell you honestly that except for the miracle that happened, I would not receive this check. The wolf the come in many doors now days, just had pups in my kitchen—I sold them and here is the money!!!

Yours groaningly, grudgingly and gruntingly—
